

Dear Rahul

Many thanks for the nomination and kind support, we confirm attendance

We have our team in Gangavaram doing other CMA assignments regular basis, however for sake of good order I will provide you contacts of our Vizag office to coordinate with your local representative at port

Shall revert with details tomorrow at earliest

Understand your requirement is on 1 and 4mm sieve for particle size test on samples to be taken with CFL representative , we are arranging required sieves to remain available at site

Regards
Manoj
