Dear Shawn

We can do this in usd 200 plus 10 pct VAT as trial shilment to support you however hope loading completes in a day or maximum 2 days

If it delays and requires our attendance beyond 2 days , we will have to charge UsD 125 per day additional

This does not include any analysis or sampling from shore tank or containers

Regards  
Manoj

Dear Mr Manoj, as per our earlier telecon.

We will only require the loading supervision for the 10FCL in flexybag at shipper's factory.

After completion, seal the containers and give us a report.

Kindly accept lump sum USD200 for this consignment.

Awaiting your acceptance.

Regards/Shawn/PGS
