K/ Attn : Mr. Deepak Agrawal  
Cc : Ms. Priyadarshini

Dear Deepak

In reference to our discussion, we would like to offer you our services for cotton controlling at following locations.

**Proposal on:** Weighment Controlling supervision for Raw Cotton in bales

**A) Scope of Inspection – SDT ( Seal breaking, De-Vanning , Tallying) / and Weighment Supervision**

- a) Verify Container seal condition and supervise seal breaking
- b) Supervision of Container Destuffing , checking and recording marks and numbers
- c) Carry out tally of number of bales destuffed from each container.
- d) Give comment on overall condition of bales during discharge.
- e) Supervision of Weighing Bale by Bale at port or buyer's mill bridge scale as arranged.
- f) Daily updates on the progress of weighment supervision.
- g) Issuance of landing report along with inspection related documents and photographs ( if permitted )

**B) Fees**

Our professional fees for the above services as under:

- a. At Indonesia : USD 0.55 per bale (Including 10% VAT)
- b. At Vietnam : USD 0.48 per bale ( including 10% VAT)
- c. At Thailand : USD 0.48 per bale ( Including 7% VAT)

**GENERAL**

- 1. Landing report and Invoice will be issued from ACI Singapore office.
- 2. In case if buyer decides to consider invoice weight as final, we will apply 50% of above fee on the shipment size, should we have initiated the inspection.
- 3. Sampling / analysis if requested, will be charged case to case basis.
- 4. Courier of reports will be additional at cost.

Payment to be made within 30 days from our Invoice issue date.

If any aspect of above offer requires clarification , please let me know.

Best regards

**Manoj Kewalramani**  
Executive Director – South East Asia
