Dear Sir

Our Indonesia team has spoken and below comments

+++

Just received confirmation from Mr. Aliang Kho (PT. Multi Nabati Sulawesi - Bitung) that people from outside of Bitung is not approved entering the terminal until the corona issue resolved.

We will use local people at Bitung to supervise at warehouses and weighbridge.

Our duty surveyor (Suarno) will coordinate entire operation from ship/jetty as vessel will be berthed at Public Jetty where outsiders can still entering.

In other words, we can still attend this shipment with required scope

+++

Amri ; please confirm that supplier has no objection now on our full attendance

Manoj
