Hi Bob,

We are FOB Sellers to Holbud for the entire cargo so just standard Brazil load supervision for us please.

We don't have Holbud/Receivers superco details just yet, believe will be Cotecna or Control Union though, they will handle the Iranian mandated supervision for their account.

Kind Regards

Hi Jean-Marie,

Thank you for the nomination ..

However, please clarify if we are appointed as your Supervisor (Seller) NY 11 Terms to Holbud (Final Seller to Iran) In which case, as you are re Sellers to Holbud are you required to issue docs in compliance with Iranian Terms or, is this a matter for Holbud's Supervisor ?

Are you Sellers of whole Cargo to Holbud PASA Terminal Paranagua ?

As your (Sellers) Supervisor, please advise name of Holbud's Supervisor in order that we may co-ordinate on co-joint Supervision, Check Weighing and Sampling.

Look forward to receiving your confirmation soonest.

Brgds,
Bob

Goof morning Jean-Marie,

Good to hear from you and glad know that everything is okay over there in Rotterdam ...

Yeah ... in fact Geneva relaxed rules last week and all of a sudden the whole world is out on the streets ... like nothing happened ... really scary !

Restaurants/Bars & Stores, are all open and Schools are back ... with physical distancing ... which is a bit of a joke when you observe the people ... Masks are not mandatory !

I personally think it's way too early for this kind of scenario and I really hope that there will not be a spike in infections ...

Good thing or not is, that I refuse to take Public transport so, I walk to my Office and Home every day ... round trip 10 KM min !!

Amazing the things you never see when you take a ride ...

Anyway, when things settle down I'll come over and visit ... you know, I lived in Rotterdam for 4 years, stayed in the Atlanta Hotel Mon to Fri and home for the weekends ... Rotterdam/Southend/Rotterdam, was much quicker than getting from my house in Billericay (Essex) to the City when I worked in London !!

Anyway, stay safe and if we can do anything for you, please let me know.

Brgds,
Bob

Hi Bob,

I'm sorry I haven't replied to you before now, strange and busy times.

I hope you are keeping well, from what I hear Switzerland is starting to get back a little more normality than most other European countries which is good.

They have just started some minor easing of measures in NL so hopefully we follow suit.

Kind Regards
